LLSA – REVIEW COURSE

The Michigan College of Emergency Physicians offers this course to members and non-members as a one-day option for you to prepare and take the LLSA exams. The course allows for group participation while taking the on-line test. *It is a great way to have fun and get it done!*

COURSE OBJECTIVES

- Demonstrate cognitive expertise and competence on the yearly LLSA topics from “The Model of the Clinical Practice of Emergency Medicine” by successfully passing the yearly LLSA Examination administered by the American Board of Emergency Medicine.
- Provide the opportunity for those course participants who desire to have group participation in taking the on-line exam at the end of the course.

ON LINE LLSA EXAM

Facility has wireless internet accessibility. If you wish to complete the exam at the conclusion of this course, please bring a lap-top computer with wireless internet capability. Every effort will be made to assist you in completing the on-line exam. (A very limited number of office computers will be available for use.) **It is very important that you bring your ABEM LLSA online registration information & your medical license information with you if you plan to take the exam at our office after the course.** Please note there is a separate fee from ABEM to take the test.

TAKE ONE EXAM OR BOTH

MCEP is offering the opportunity to complete your LLSA Requirements for 2016 & 2017 Articles all in one day! The morning session provides a review of the 2016 Articles. The afternoon session provides a review of the 2017 articles. After each session, you have the opportunity to complete the ABEM online exam. Attend one or both sessions! Save \$100 by registering for both!
