Emergency Medicine Reimbursement Issues...

Straight Talk XXVII

November 13, 2018
Johnson Center, Cleary University-Livingston Campus
Howell, MI

This course presents valuable information and updates for emergency physicians, billing and coding professionals, and group managers.
**Straight Talk XXVII – Tracks**

**Professional Coding Tracks**
Participants will have the opportunity to review the appropriate use of CPT and ICD-10 codes for professional services provided in the emergency department.

**Physician/Administrative Track:**
Participants will:
- Review documentation requirements for various emergency services.
- Learn about how upcoming Healthcare Reform, the ACA and payment reforms will impact your practice.
- Review opportunities for groups to better address the payor audit and compliance challenges.
- Be given tools to better assess their group’s billing and collection performance

This course offers information updates for emergency physicians and for billing/coding professionals and group managers.

Lunch offers unstructured time to interact with peers and to share information about the dynamic reimbursement environment.
