Michigan Update
November 19, 2019

KEVIN MONFETTE, MD, FACEP
MCEP PAST PRESIDENT
MICHAEL GRATSON, MD, MHSA, FACEP
CHAIR, MCEP HEALTH-FINANCE COMMITTEE

The Big 3
HB 4459
Blue Cross Blue Shield of MI
Michigan Medicaid
HB 4459

Nonparticipating provider would have to accept as payment in full the greater of the following:
- Average amount negotiated by the patient’s health benefit with participating providers for the service provided
- 150% of the amount that would be covered by Medicare for the service

Triggered by one of the following:
- Service was covered by an emergency patient’s health benefit plan and was provided by the nonparticipating provider
- Service was covered by a nonemergency patient’s health benefit plan and was provided to them by the nonparticipating provider at a participating health facility but was not able to choose the provider
- Service was provided by nonparticipating provider at a participating health facility within 72 hours of the emergency patient receiving care in the emergency room.

Blue Cross Blue Shield of Michigan

Liaison Meetings
- November 29, 2018
- Discussion of payment denials based on discharge diagnosis
