

No Mask. No Problem®. Mask-Free NIV®

Join Dr. Ross Simcoe to discuss a mask-free alternative to non-invasive positive pressure ventilation (NiPPV). During this talk, Dr. Simcoe will:

- Review data from a multi-center RCT demonstrating HVNI as noninferior to NiPPV
- Describe applications and potential impact of HVNI in the Emergency Department
- Detail the mechanisms of action of HVNI

Michigan College of Emergency Physicians

Tuesday August 25, 2020

12:15pm-1:15pm

Live Zoom Conference

Presented by Ross Simcoe, MD
