Changing Course: Reversing Direct Oral Anticoagulants in the Emergency Department

How effectively are you managing DOAC-associated life-threatening bleeds in your emergency department?

Management of patients who require rapid reversal of urgent DOAC-associated bleeding is challenging. This CME activity will provide you with the tools you need to deliver individualized, safe, and effective care for these patients.

Program Overview

The development of direct oral anticoagulants (DOACs) has advanced the therapeutic landscape for the management of thromboembolic events. Specific agents that rapidly reverse the effects of DOACs are now available and offer safe and effective options for patients who experience an emergency DOAC-associated bleeding event. This ACEP Chapter Educational Lecture Series will offer:

- Clinical pearls for the assessment of bleeding severity in patients receiving DOACs
- Expert-guided insights to rapid reversal of urgent DOAC-associated bleeding
- Clinical decision support tools to optimize outcomes in patients requiring reversal of DOACs

Target Audience

- Emergency medicine physicians and physician assistants

Learning Objectives

Upon completion of this activity, learners should be better able to:

- **IDENTIFY** the signs and symptoms of severe bleeding in patients receiving DOAC therapy
- **ASSESS** anticoagulant activity in individuals who present with DOAC-associated bleeding or who require emergency surgery
- **DETERMINE** appropriate reversal agents based on the type of anticoagulant, dose, timing of last dose, and indication
- **IMPLEMENT** local protocols for evaluating patients and managing DOAC-associated bleeding

Accreditation and Credit Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Emergency Physicians, Spire Learning, and the Michigan Chapter of the American College of Emergency Physicians. The American College of Emergency Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for 1.0 hour(s) of ACEP Category I credit.

There is no fee to participate in this activity.

**Wednesday,
September 30th, 2020
11:45 AM – 12:45 PM**

Faculty Presenter

Christopher W. Baugh, MD, FACEP
Vice Chair of Clinical Affairs
Department of Emergency Medicine
Brigham and Women's Hospital
Associate Professor of
Emergency Medicine
Harvard Medical School
Boston, MA
