Discount ends March 16, 2026.

Residents statewide will participate in a full day of EMRAM activities. SIMWARS is an interactive simulation competition that allows teams of four medical providers to compete against other programs on simulated patient encounters.

An expert panel will judge each team's performance in areas such as teamwork, communication, and leadership as well as medical management of the "patient".

If interested, please e-mail alliep@mcep.org. All teams must have four listed members and one faculty judge to register. Further information is also available at www.mcep.org.

Team Registration opens **February 3, 2026**. Entries are due by **April 1, 2026**. Once the teams are selected, we will send out the "Rules of Engagement" prior to the event so you can be prepared for what to expect.

* Breakfast and lunch will be provided during this course
